<sup>\*</sup>Lifetime discount - Farmers are entitled to a 10% lifetime discount on NobleOak's standard Premium Life Direct premium rates for its term life cover (10% discount applies to term life cover only).

<sup>^</sup>NobleOak awards - Information found at <https://www.nobleoak.com.au/award-winning-life-insurance/>

<sup>~</sup>NobleOak's Premium Life Direct Life Insurance premiums are more than 20 percent lower than the average premium of 15 comparable Direct Insurance products. Our analysis is based on premium rates available as at 30th September 2023, calculated by Plan For Life for Term Life Insurance cover offered directly through insurers (without personal financial advice). Premiums currently available for members include a 10% discount to our standard Premium Life Direct premium rates, and this discount has been factored into the calculations. The average savings quoted are applicable to males and females, smoker and non-smoker, from ages 30 to 60, with sum insured from \$100,000 to \$1.5m. Plan For Life is one of the leading independent suppliers of Australian Life Insurance and Managed Funds market information, relied upon for over 20 years by the leading life offices, analysts, dealer groups and government bodies.

**Keep your septic bacteria happy  
with 'Noflex Digestor' probiotic**

Septic fights a war on all fronts. From the kitchen, laundry, shower and toilet, we all know the sorts of matter septic has to render harmless. But even the strongest troops need supplies to keep running, and you'll certainly smell it when the septic loses that war.

But you don't need to break the bank to feed the troops. All you need is a pot of Noflex every now and again. One pot is \$40 dollars, and has 17 doses of 2 tablespoons. Only \$2.35 a week to keep the septic fighting the good fight!

**LEAKS**

**THIS IS WHY LIQUID INTELLIGENCE 230 CAN EVEN FIX BADLY LEAKING SEALS.**

Even badly leaking seals, normally only have a slight amount of deterioration or damage on them and don't always need replacing...The Liquid Intelligence 230 Stop Leak Seal Expander formulation contains a unique combination of ester and phenol additives... These additive work by restoring some of the seals volume, elasticity and compression characteristics. Therefore returning substantial amounts of the seals original structural integrity, and preventing further leaks for years. Liquid Intelligence products are the BEST OF THE BEST. They have the highest degree of efficiency, activity and functionality, compared to any similar retail grade product.
